Friendly hotel - 21 Sep 2010

The location is perfect, just in front of the palace of congress. Rooms are ok and the best was the staff who provide a great service and are friendly.

Nice Stay - 12 Sep 2010

We were very, very satisfied with our stay. The hotel was conveniently located (Plaza Espana) and on major metro and bus lines (also was first stop in and last stop out of Barcelona for convenient and swift airport bus). We are happy we did not stay on Rambla due to quiet and space here and short ride to there. Room was clean and good size. Staff were pleasant, helpful and knowledgeable. We wanted wireless and a pool - and hotel had both. Former worked well and latter was a very nice addition. Overall, would highly recommend this hotel and return to it if I were to go to Barcelona again.
